“GAME ACT”

HIS HONOUR the Lieutenant-Governor in Council has been pleased to order that the Bounty Regulations, made by Order in Council No. 666, approved March 21st, 1952, be rescinded, effective August 1st, 1954:

And that, pursuant to the provisions of section 69 of the “Game Act,” chapter 135 of the “Revised Statutes of British Columbia, 1948,” the following Bounty Regulations be made, effective August 1st, 1954:—

BOUNTY REGULATIONS

1. Subject to the provisions hereinafter contained, payment shall be made to any person who is the holder of a licence to carry firearms under the “Game Act” or to an Indian who is a resident of the Province:—

In respect to each cougar killed within the Province, a bounty of twenty dollars (\$20), provided that when a bonus or registered cougar-hunter who has been appointed in accordance with these regulations personally kills a cougar within the Province, he shall be entitled to receive a bonus of twenty dollars (\$20) over and above the usual bounty set out herein:

In respect of each timber-wolf killed within the Province, excepting the Electoral Districts of Kamloops, Cariboo, and Lillooet, a bounty of twenty-five dollars (\$25); in the electoral districts mentioned, a bounty of forty dollars (\$40).

2. Bounties shall not be paid on any cougar unless the whole pelt of the animal is produced with an application for bounty, and in respect to wolves killed or taken in the Electoral Districts of Kamloops, Cariboo, and Lillooet, the whole pelt and the right foreleg pad intact, but elsewhere in the Province the pelt only must be produced. In regard to the term “right foreleg pad intact,” this means that the pad should remain on the pelt before application for bounty can be allowed.

Further, for the purposes of these regulations, a bonus or registered cougar-hunter shall mean a person who has registered and has duly entered into contract with the Game Commission to act as a cougar-hunter within a given or prescribed district as designated by the said Commission and under the direct supervision of said Commission.

The pelt of any wolf or cougar must be produced for bounty payment with an application of

bounty within two months after the date on which the pelt was taken.

3. Any pelt or part of pelt designated herein shall be produced to one of the following officers—namely, a Government Agent, a Provincial Game Inspector or Supervisor, a Game Warden, an officer or constable of the Royal Canadian Mounted Police Force, or a person duly authorized in writing by the Game Commission to receive applications—and shall deliver to the officer the application made by the applicant in a form prescribed by the Game Commission, setting out the facts as to the killing of the animal, and stating the date on which and the place where it was killed. The applicant, if he is a holder of a licence to carry firearms, shall also produce his firearms licence for inspection by the officer.

4. The officer shall examine the pelt produced, and if a hole is found in either ear of the pelt, he shall refuse the application. If both ears are found to be intact and the application is in accordance with the provisions herein contained, he shall cut a hole of not less than one-half inch in diameter in the left ear of the pelt, and shall endorse upon the application a certificate of approval in the form provided by the Game Commission, and shall return the approved application to the applicant. In respect of an application for bounty covering the destruction of a wolf, the right foreleg pad, where necessary under these regulations, is to be detached and destroyed by the officer taking the application.

5. Where an animal is killed by means other than a firearm, and where the person killing it is neither the holder of a licence to carry firearms nor an Indian, payment of the bounty may be made to that person if his application therefor is approved in writing by the Game Commission and is otherwise in compliance with these regulations.

6. Upon the deposit of the approved application with any Government Agent within sixty (60) days from the date of the certificate of approval, the Government Agent may pay to the applicant the amount payable thereunder with respect to the animal so killed by him.

(d) A rear yard shall be provided of not less than twenty-five per cent of the lot depth, and it shall in no case be less than twenty-five feet in depth;

(e) Two side yards shall be provided, each of which shall be not less in width than ten per cent of the width of the site, or five feet, whichever is greater, provided that no side yard need exceed ten feet in width, and further provided that where a building is not served by a side or rear lane, one side yard shall be at least ten feet in width and unobstructed and open to the sky;

(f) On a corner lot at the rear of which are lots fronting on the flanking street, the yard paralleling and adjacent to the flanking street shall extend the full depth of the lot and shall be not less than twenty-five feet wide, unless otherwise permitted by the Board of Appeal and with the consent of the Minister of Public Works, in which case it shall be not less than twelve and a half feet wide.

22. In commercial districts:—

(1) Land may be used for the purposes permitted in residential districts, and which conform to the height, yard, and area requirements of Regulation 21, or for retail stores and similar commercial uses, offices, and service-stations, but not for industrial establishments employing more than six permanent employees, or fruit processing or packing or similar plants, or other uses not deemed by the Board of Appeal to come within the meaning of the term "commercial uses."

(2) Where a building hereafter is erected or converted for retail or other commercial or business purposes where there is no public lane giving access to the rear of the building, provision shall be made for such access by means of a yard so that loading and unloading operations shall be conducted off the public highway.

(3) The height of any building hereafter erected shall be not more than thirty-five feet.

(4) For the purpose of Regulation 25 hereof, in the case of a building to be erected on a corner lot, other than one permitted in Regulation 21 hereof, each wall facing a street shall be deemed a main front wall.

23. In industrial districts any lawful use is permitted, provided, however, that any buildings used for human habitation shall conform to Regulations 12 and 21 hereof, and further provided that no building and no land shall be used for any business or industry which the Inspector considers will be or is obnoxious by reason of the emission of smoke, gas, fumes, noise, or odour without the consent of the Board of Appeal.

24. The height limitations prescribed herein shall not apply to windmills, silos, grain-elevators, and similar structures, nor shall they apply to chimneys, towers, and spires, occupying less than seven per cent of the site area.

25. (1) No person shall erect a building on a lot so that any main wall, other than projecting steps, will be nearer a highway than twenty-five feet, unless approved by the Board of Appeal and with the consent of the Minister of Public Works.

(2) Side yards shall be unoccupied and unobstructed by buildings.

26. (1) Soil or gravel shall not be removed from, or garbage deposited on, any lands in the area without the consent of the Board of Appeal, which may state the terms and conditions on which the consent is granted.

(2) Where permission to conduct uses referred to in this regulation, or where an appeal under the provisions of Regulation 28 has been granted by the Board of Appeal, the applicant shall commence to exercise the rights so granted within six months of the date of the granting thereof or such rights shall expire.

27. (1) Any use of land or buildings contrary to the provisions of Regulations 20 to 26, inclusive, but which existed prior to the coming into effect of these regulations, may be continued, unless in the opinion of the Medical Health Officer and the Inspector such continuance is prejudicial to public health or safety.

(2) No non-conforming use which has been discontinued for thirty days shall be renewed.

(3) The lawful use of a building existing at the time of the coming into effect of these regulations, although such use does not conform to the provisions of Regulations 20 to 26, inclusive, may be extended throughout the building, but no structural alterations shall be made nor shall the non-conforming use be carried beyond the limits of the existing building.

28. (1) Except in the case of subdivision requirements in respect of which provision for appeal is made in the "Land Registry Act," any person who considers that any refusal to grant him a permit, or any order issued to him under these regulations, will cause him undue hardship shall have a right of appeal by way of a hearing before the Board of Appeal.

(2) Any person exercising the right of appeal shall file with the Secretary of the Board of Appeal within ten days of the giving of any decision under the foregoing regulations a written notice of appeal therefrom, which shall state clearly the grounds upon which the appeal is made. The appellant shall therein give an address to which all notices may be mailed.

(3) The Secretary shall notify the Chairman of the Board of Appeal of said notice of appeal, and the said Chairman shall set a date for the hearing of the appeal, which shall be within ten days of the filing of the notice of appeal. Four days' notice of the said hearing shall be mailed by the Secretary, by registered mail, to the appellant, posted to the address given in said notice of appeal, and to such other persons as may be designated by said Chairman.

29. (1) The Board of Appeal shall consist of three members, who shall hold office for two years unless reappointed; each member shall be a resident registered land-owner in the area or a holder of land in the area acquired by him by agreement to purchase under "The Veterans' Land Act, 1952," and shall be appointed by the Minister of Municipal Affairs.

(2) The Board shall be presided over by a chairman to be chosen annually from among themselves by the members thereof.

(3) Two members shall constitute a quorum.

(4) In the event of the death, resignation, or removal from office of any member of the Board, the vacancy thereby created shall be filled as soon as possible after the death, resignation, or removal, and until the appointment of a successor to such member, the remaining members shall constitute the Board.

30. The Board of Appeal may hear witnesses and take any other steps it may consider necessary to ensure a proper consideration.

31. The Chairman of the Board of Appeal shall have authority to administer oaths to the witnesses on the appeal.

32. In disposing of appeals, the Board of Appeal may make such relaxations of these regulations, or of any order issued pursuant to these regulations, as the Board of Appeal considers necessary to ensure substantial justice, except that a change of classification of any district or part thereof or the permitting of a new use may be made only by the Minister of Municipal Affairs on the recommendation of the Board of Appeal.

33. The decision in writing of a majority of the members of the Board of Appeal attending a regularly called meeting shall be the decision of the Board, and the Board shall not be required to re-adjudicate the same appeal on the same set of facts.

34. Where the decision of the Board of Appeal relaxes any of the regulations herein, it shall be competent for the Inspector to issue a permit or an order conforming to said decision.

35. The Inspector shall act as Secretary to the Board of Appeal and shall keep a record of proceedings of all meetings of said Board. He shall forward a copy of the decision of the Board in respect of any appeal to the appellant concerned.
